### VICTORIA UNIVERSITY OF WELLINGTON • NEW ZEALAND

# **APPLICATION TO STUDY AS AN INTERNATIONAL STUDENT**

# PLAN YOUR DEGREE AND MAJOR -

We encourage students to research the Victoria degrees and majors they plan to study at the University.

For a full list of degrees and subject areas offered, see the degree explorer at www.victoria.ac.nz/international/Tools/careerdegree.aspx

**Masters by research** applicants are advised to contact an academic in the relevant School/Department to ensure that the area of proposed research can be supervised at Victoria University of Wellington.

**PhD applicants:** Do NOT use this application form. There is a completely separate application process for the PhD degree, managed by the Faculty of Graduate Research – see **www.victoria.ac.nz/fgr** 

# SUBMIT YOUR APPLICATION

Complete all sections on the attached Application Form, sign it and courier (preferably using a tracked worldwide courier service) or mail your form and supporting documents to the address on the application form so it arrives by the closing dates listed on the right.

As a minimum, you must include:

- + a completed International Student Application Form
- + official documentation of your academic results
- + a certified copy of your passport personal details

Note that some Victoria programmes have additional requirements.

**If your first language is not English** you must also include supporting evidence of your English proficiency – see page 2 of this form for details.

**Postgraduate students** must also include the items listed in the Entry Requirements for Postgraduate Study and Research on page 2 of this form.

# **Application Closing Dates**

For study beginning in:

Trimester 1 (February): 1 December

Trimester 2 (July): 1 May

Trimester 3 (November): 1 September\*

Some programmes have an earlier application closing date. Applications received after the above dates are considered on a case-by-case basis.

\*Study in Trimester 3 is only available for specific postgraduate programmes – see pages 26-31 of the Victoria International Prospectus for programme intakes

# **RECEIVE OFFER OF PLACE**

When we receive your application we will acknowledge it with an email. After an assessment is made, successful applicants will receive the offer letter and pre-arrival information by email, including your offer status, offered programme and start date.

## **VISIT THE PRE-ARRIVAL WEBSITE**

It is important to review the pre-arrival information at http://prearrival.victoria.ac.nz, which includes important advice on the accommodation application process, student visa and medical and travel insurance.

# **Student Visas**

Before coming to study at a New Zealand university you will need a student visa. Your nearest New Zealand Diplomatic Office can provide you with the necessary information and the forms to complete.

When applying for a student visa, you must show the letter from the University confirming your Offer of Admission and a receipt showing you have paid your tuition fees in full. You must also prove you have sufficient funds to support yourself during your time in New Zealand. Note there may be different requirements for different countries.

Retaining a student visa may be subject to academic requirements such as minimum course attendance and progress.

For full details of visa requirements, reporting requirements and advice on rights to employment in New Zealand while studying, see www.immigration.govt.nz

# **Medical and Travel Insurance**

All international students must have current and appropriate medical and travel insurance while studying in New Zealand.

The Code of Practice for the Pastoral Care of International Students (The Code) guidelines state the minimum standard of insurance required for an international student –

# see www.minedu.govt.nz/goto/international

Victoria University offers Studentsafe-University for its 2012 students. Studentsafe-University meets The Code standards and provides travel and health insurance at an economical rate. Short course and family rates are also available. Payment for insurance can be made with tuition fees. The current insurance rate is published at www.victoria.ac.nz/international/current-students/insurance.aspx

Most insurance policies purchased outside New Zealand do not meet The Code's standards, so it is vital to check with Victoria International at least six weeks before your enrolment before purchasing a policy from your home country. A policy written in another language must be translated into English before Victoria International staff can check it.

If you buy an insurance policy that fails to meet the Code standards, you must buy another appropriate insurance policy before enrolling.

The University receives payment from the insurer, used to improve pastoral care and services for international students at Victoria. Any residual is used for study awards and international student scholarships. To find out more, see www.victoria.ac.nz/international/current-students/insurance.aspx or email vi-insurance@vuw.ac.nz

The Accident Compensation Corporation (ACC) provides accident insurance for all temporary visitors to New Zealand, but you may still be liable for all other medical and related costs – see www.acc.co.nz

# **ENTRY REQUIREMENTS**

# To study at Victoria University of Wellington as an international student you will need a good command of the English language and a good record of academic achievement.

# **Undergraduate Study**

### **ENGLISH LANGUAGE REQUIREMENTS**

- + TOEFL 550, or 213 on the computer-based test; or 80 on the internet-based test; or
- + IELTS overall band of 6 with no sub-score below 5.5; or
- + CAE grade C; or
- + a minimum of three ratings of 4 and one rating of 3 in the Victoria University English Proficiency Programme test – see Pathways Programmes in the Victoria International Prospectus, page 34.

# **ACADEMIC REQUIREMENTS**

See qualifications for entry table on page 3.

If you have studied a university foundation programme outside of New Zealand, it must be recognised by Victoria and you will need to have successfully completed the programme with at least a 75% average or equivalent. Applications are assessed on a case-by-case basis.

### **ACADEMIC CREDIT TRANSFER/EXEMPTIONS**

Undergraduate applicants who already have a tertiary-level qualification or even part of one may be eligible for academic credit transfer and/or exemptions from required courses at Victoria. Please note that academic credit transfer and exemptions are not applicable for postgraduate applications.

The assessment process usually takes up to six weeks, so you are strongly encouraged to apply for this with your initial International Student Application to study at Victoria.

Academic credit transfer recognises previous study at another recognised institution and adds university points (credit) to a degree at Victoria University. Credit transfer can make a difference to the number of courses required to complete a degree. In some cases, it may be possible to complete a degree in two years, instead of three.

Any student who has more than the minimum entrance requirements for an undergraduate degree can apply for credit transfer on their application form. Full official documentation from previous studies must be provided, including an original academic transcript, signed and dated by the issuing institution, or a certified copy of the original. Detailed course descriptions of previous study are also required.

If you have already completed a course that is equivalent to one that is required at Victoria for a prerequisite, major or degree, you can apply for an **exemption** so that you do not have to take it again.

An exemption does not necessarily carry credit or points. To apply, please include detailed course descriptions of previous study with your

# **Postgraduate Study and Research**

#### **ENGLISH LANGUAGE REQUIREMENTS**

- + TOEFL 575 with (preferably) a TWE of 5, or 237 on the computer-based test; or

### **ACADEMIC REQUIREMENTS**

Academic entry requirements for Victoria's postgraduate programmes vary. You will need to have successfully completed a New Zealand Bachelor's degree or its overseas equivalent from a recognised tertiary institution; and, for some programmes, evidence of relevant work/research experience may be necessary.

In general, for applicants who have a Bachelor's degree graded in a GPA system, the GPA should be at least 3.0 out of 4.0. For applicants with a Bachelor's degree graded in the British system, including India, the Bachelor's degree must be in the first or upper second class. Please note some programmes may require a higher entry requirement.

# In addition to this application, applicants should include:

- + Graduation certificates and full academic transcripts.

- + Two Academic References.

   Note that test results are only valid for two years.
- + You may be exempt from the English language requirements if your previous studies were undertaken in a native English speaking country. However, this still may not guarantee entry to the University without an IELTS or TOEFL test score.

# **POLICIES TO PROTECT YOU**

### Code of Practice

The Code of Practice for the Pastoral Care of International Students (The Code) published by the Ministry of Education is a policy specially designed for international students. It sets the standards of advice and care that must be given by an institution to an international student. Victoria University of Wellington has agreed to observe and be bound by The Code.

Copies of The Code are available on request from Victoria International or from the New Zealand Ministry of Education website

### www.minedu.govt.nz/goto/international

Students or parents of students who feel an area of The Code has been breached should document the breach in writing to the Pro Vice-Chancellor, International, who will take all steps to ensure that the grievance is settled. If a favorable result is not reached, the case will be referred to the International Education Appeal Authority (IEAA). The University agrees to be bound by the IEAA procedures and will offer any information and cooperate with the board while they investigate a complaint. Students have the right to information about progress and decisions regarding their complaint as well as translation services if necessary to ensure adequate comprehension.

# Fees, Levies and Charges

International students ('Students') are required to pay a tuition fee for each course in which they are enrolled, course material charges, VUWSA subscription and student services levy, student assistance levy, and other administrative charges ('Fees'). A small number of courses have an Overseas Travel Component as additional costs. For more information on these charges see the Victoria University Fees Statute ('the Fees Statute'). Please refer to the most recent Fees Statute at www.victoria.ac.nz/fees

Any programme or course offered by the University and listed in its Calendar may be cancelled by the University as a result of insufficient resources or student demand. The Vice-Chancellor concedes that Victoria University has the financial resources available to refund fees to students enrolled in any cancelled programme. If a course is unable to proceed due to destruction or damage to buildings, plant and equipment and other tangible assets, fees will be refunded to the students affected. In this case the fees refund will be covered by the University's Industrial Special Risks Policy and be classified as a consequential loss.

# **Refund Statement**

# 1. Refunds

- Refunds of Fees to Students are made in accordance with the current Fees Statute **www.victoria.ac.nz/fees**. Refunds for International Students are only processed once the Student has applied to the Student Fee Advisor in writing.
- 1.1 A Student is entitled to a full refund of all money that remains in their account after enrolment. This refund will be granted provided the Student has paid their Fees in full and holds a valid student visa for the period of study. The monies will be paid directly to the Student.
- 1.2 An International Student who withdraws from the University and transfers to another institution must inform Victoria International and their Student Fee Advisor in writing and provide copies of their new Offer documents. Any refund of fees will be sent directly to the relevant institution less an International Transfer Fee prescribed in the Fees Statute.
- 1.3 A Student enrolled in a trimester-based programme who obtains a residency permit during the course of their study will be considered an international student for the trimester in which residency is granted, unless the residency is granted within the dates prescribed in the Fees Statute. The Student will be treated as a domestic student from the following trimester.
- 1.4 A Student who is not enrolled in a trimester-based programme and who obtains a residency permit will be given a refund (pro rated) from the week after the date on which residency is granted. A Student's residency status is effective from the date on which residency is granted as shown in their passport.

- 1.5 A Student enrolled in CertEngProf who provides written notice of withdrawal within two weeks of beginning on the programme shall receive a two-thirds refund of the total tuition fees. A full refund of fees is only given when a Student withdraws before the programme begins.
- 1.6 A student enrolled in a PhD or Masters by Thesis for six or twelve months, who gives written notice of withdrawal from enrolment within four weeks of having been enrolled, shall cease to be liable for the fees associated with that course.
- 1.7 A student who gives written notice of withdrawal from a supervised individual research paper/project, practicum, dissertation or similar course within four weeks of the start date for that course shall cease to be liable for the fees of that course.
- 1.8 Victoria University may approve partial or full refunds in exceptional circumstances. Refunds will be subject to receipt of a written request setting out the full circumstances.
- 1.9 Refunds of fee payments derived from a Contract will be credited back to the organisation that has set up the contract with the University. Refunds will not be made to students if there are fees remaining to be paid for their current academic year.
- 1.10 Students receiving Federal Loans from the US Government for payment of their study at Victoria University are subject to special withdrawal and refund procedures and policies. Specifics are available from Victoria International.
- ${f 1.11}$  Subject to clauses 1.3 to 1.8, all refunds will be paid by cheque or bank transfer (on production of appropriate photo ID).

#### 2. Full Refunds

- 2.1 Full refunds will be made pursuant to the relevant clauses of the Fees Statute and in the following circumstances:
  - a) The Student is unable to take up the offer of admission;
  - b) Immigration New Zealand has refused a Student a visa for study in New Zealand;
  - A Student's application for a visa extension is refused by the Immigration New Zealand; or
  - **d)** Victoria University is unable to proceed with the course(s) offered.
- 2.2 If a Student completely withdraws or temporarily ceases studying at Victoria University and seeks a refund, they will be required to provide proof that they no longer hold a Victoria University student visa before their refund will be actioned.

# **Withdrawal from Courses**

A student must give written notice of a course withdrawal to the Faculty Office within the deadlines stated in the Fees Statute to receive full or partial refund of the tuition fees. Non-payment of fees, ceasing to attend, or verbally advising a member of staff will not be accepted as notice of withdrawal. For further details, see the most recent Fees Statute at www.victoria.ac.nz/fees

# **Grievance Procedures**

Victoria University seeks to provide a learning environment designed to help students achieve their full potential, and has procedures in place to ensure decisions affecting a student's learning and progress are fair. Students, who feel that they have not been treated fairly at the University, should take note of the Statute on Academic Grievances – see www.victoria.ac.nz/home/about/policy/academic.aspx

Any international student who has a grievance against the University in any capacity should contact a Victoria International staff member. If the grievance cannot be solved, Victoria International will refer the case to an appropriate area of the University.

If the outcome of this procedure is unsatisfactory, a Student can contact the **International Education Appeal Authority**, phone +64-9-632 9513, email **infor.ieaa@minedu.govt.nz** 

Please note that all policies are subject to change, so please refer to www.victoria.ac.nz/international/services/policies.aspx
