

# **Sun Yat-sen University “2018 ‘Belt and Road’ Undergraduate Scholarship Programme for International Students” (Only for recommendations by institutions)**

Sun Yat-sen University (SYSU) is an important base for conducting scientific research, inheriting cultural and academic traditions and training high-level talents in South China. Being one of the leading universities in China and the world as well, SYSU is a comprehensive multi-disciplinary university. It enjoys a profound tradition of international cooperation and exchange in education with universities outside its home country. To improve its educational influence in the region in an overall way and to attract more students from all over the world, SYSU has set up the “Undergraduate Scholarship Programme for International Students”, in support of outstanding students from countries along the Belt and Road to pursue bachelor’s degrees at SYSU.

## **1. Entrance Requirements:**

(1) Applicants should be non-Chinese with a valid foreign passport, and meet requirements in the “Notice of Regulating Admission of International Students in Colleges and Universities” ([2009]83).

(2) Applicants should be in good health and aged between 18 to 25 (date of birth between 1<sup>st</sup> January, 1993 to 30<sup>th</sup> August, 2000).

(3) Applicants should be friendly towards China, law-abiding, studious and well-conducted, without any records of violation of Chinese laws, regulations or school rules.

(4) Applicants should be high school graduates, with their grades ranking among the top, or with excellence in social services, sports, music, cultural activities or leadership.

(5) Language Proficiency:

a. Liberal Arts, Economics and Managerial Science Majors: HSK 5 Certificate (with 180 points or above) or other equivalent Chinese Learning Certificates;

b. Science, Engineering and Medical Science Majors: HSK 4 Certificate (with 180 points or above) or other equivalent Chinese Learning Certificates;

c. Applicants who complete high school education with Chinese as the language of instruction should submit certificates of Chinese language proficiency issued by their schools and can be exempted from providing HSK Certificates after SYSU’s verification;

d. Outstanding applicants who apply for the programme without adequate Chinese language proficiency must take a Chinese preparatory course for one academic year. Upon the completion of the course and the satisfaction of the language

entry requirements, they can begin their undergraduate studies with Chinese as the language of instruction.

(6) Applicants should obtain a recommendation letter issued by the recommendation institutions\* (refer to Appendix 1 for details) and be responsible for its authenticity.

**2. Application Deadline:** 30<sup>th</sup> April, 2018

**3. Application Procedure:**

(1) Online application:

Before 1<sup>st</sup> March, 2018, applicants should submit all application documents to the recommendation institutions in their home countries to obtain recommendation letters. Between 1<sup>st</sup> March, 2018 and 30<sup>th</sup> April, 2018, they should sign up on <http://application.sysu.edu.cn>, sign in to fill in the application form under the “SYSU scholarship” programme in an accurate and complete manner, and upload scanned copies of all supporting documents as required (Only PDF, JPG, JPEG and PNG files are acceptable, and each file size should not exceed 2MB). To complete the application, applicants should click the “submit” button.

All supporting documents and requirements are as follows (Those supporting documents that are not in Chinese or English should be accompanied by a formal certified translation in Chinese or English):

No.	Documents	Requirements
1	Passport biographical page	1. A scanned colour copy should be submitted. 2. Applicants staying in China at the time of application should provide the scanned colour copy of passport pages with the Chinese visa and entry seal. 3. Applicants who have not yet been granted a passport at the time of application can upload a scanned copy of their identity documents. They should apply for a passport in their own countries afterwards, and send a scanned copy of their passport biographical pages to <a href="mailto:admissions@mail.sysu.edu.cn">admissions@mail.sysu.edu.cn</a> before 15 <sup>th</sup> June, 2018.
2	Graduation certificate of the highest level of education	1. Applicants in their last year of high school should submit a pre-graduation certificate provided by their schools. 2. Applicants who have graduated from high school should submit their high school graduation certificates.
3	Transcripts from the highest level of education	1. Applicants in their last year of high school should submit transcripts of all courses taken provided by their schools. 2. Applicants who have graduated from high school should submit transcripts of all courses taken during all the three school years and transcripts of the high school exit examination. 3. Applicants can also submit scores of international standardized tests, including SAT, ACT, A-level, AP and IB.
4	Language Proficiency Certificate	Applicants can refer to “Entrance Requirements” for more details.
5	Recommendation letter	Applicants should upload recommendation letters from the recommendation institutions.

		Note: Institutions which have recommended more than one student should send a name list of all applicants recommended to <a href="mailto:admissions@mail.sysu.edu.cn">admissions@mail.sysu.edu.cn</a> before 30 <sup>th</sup> April, 2018.
6	Personal statement	Personal Statement should be written in Chinese or English and might include a self-introduction, memorable learning experience, interests and hobbies, learning purposes, career plans after graduation, and so on.
7	Other supporting documents	Award Certificates or Experience Certificates

Apart from all the above supporting documents, applicants should also submit all other supporting documents or information accordingly as required by SYSU.

(2) Note:

a. After submitting the Application Form online, applicants do not need to send any duplicate copies of the supporting documents to SYSU in person or by post.

b. The uploaded scanned copies of all supporting documents in the application system should be clear and readable. If the supporting documents fail to meet the requirements, the application will not be processed.

c. Applicants should select two majors, indicating the order of sequence. During the processing of the application, SYSU will consider the majors accordingly. However, after admission, any change of major before registration is not allowed. Only after the completion of the courses in the first term of the major can scholarship recipients apply for changing their majors and attend the annual selection tests or interviews organized by SYSU in accordance with SYSU's regulations on the management of undergraduate enrolment.

d. Applicants should provide the name of the recommendation institutions, and names and contact information of referees on the application system. During the processing of the application, SYSU might verify applicants' information by contacting the recommendation institutions.

e. Applicants should give correct email addresses, telephone numbers and postal addresses and reply to emails from SYSU without delay during the processing of the application. Any failure to reply emails in time or provide supplementary documents within a certain period as required will be regarded as the applicants' giving up on the application or admission offer. SYSU may also revoke the scholarship granted to the applicants.

#### 4. Scholarship Amount:

(1) Liberal Arts, Economics and Managerial Science Majors: **RMB 56,000 yuan/person/academic year** (including tuition fee RMB 26,000 yuan/person/academic year and living allowance RMB 30,000 yuan/person/academic year)

(2) Science and Engineering Majors: **RMB 63,800 yuan/person/academic year** (including tuition fee RMB 33,800 yuan/person/academic year and living allowance RMB 30,000 yuan/person/academic year)

(3) Medical Science Majors: **RMB 78,000 yuan/person/academic year** (including tuition fee RMB 48,000 yuan/person/academic year and living allowance RMB

30,000 yuan/person/academic year)

The tuition fee in the scholarship will be deducted directly; thus the scholarship recipient won't have to pay for the tuition fee. Accommodation fee and comprehensive insurance for international students will be deducted from the living allowance in the scholarship, and the remaining amount will be transferred to the individual bank account of the recipient every month after enrolment and registration. However, the recipient shall be responsible for the fees of visa application, round-trip air tickets and physical examination, and all other fees.

### **5. Scholarship Granting Period:**

- (1) In principle, the scholarship will cover the normal study period of the undergraduate programme.
- (2) Scholarship recipients without adequate Chinese language proficiency must take a Chinese preparatory course for one academic year, but the scholarship will cover the normal study period of the undergraduate programme and the period of the Chinese preparatory course as well.
- (3) A scholarship review will be carried out by the university annually to assess the recipients' academic and overall performance. Only recipients who pass the review can receive the scholarship funding in the following academic year.

### **6. Selection Procedure:**

- (1) After the application deadline, SYSU will organize a panel of experts to review the application documents and admit applicants on the overall assessment of their scores and all other supporting documents. During the process, long-distance or face-to-face interviews will be conducted, if necessary.
- (2) In June, 2018, pre-admission results will be sent to applicants via emails and the application website.
- (3) In July, 2018, after the confirmation of the Admission List, admission materials will be posted to scholarship recipients according to the postal addresses provided by the recipients on the application system. Scanned copies of the materials will also be available after contact with SYSU.
- (4) The admitted applicants should apply for X1 visa from the Chinese Embassy with their Admission Letter and the Foreign Student Visa Application Form (JW201/202). The X1 visa holders must go through residential formalities in the local public security departments within thirty days of entry into China. Otherwise, the admitted applicants will face **expulsion**. Besides, SYSU **won't accept** registration of students **without a valid student visa**.
- (5) The admitted applicant must register according to the date and the campus in the Admission Letter.

## 教育部关于规范我高等学校接受外国 留学生有关工作的通知

各省、自治区、直辖市教育厅(教委),新疆生产建设兵团教育局,  
部属有关高等学校:

依据《中华人民共和国教育法》和《中华人民共和国高等教育法》,为维护我国公平的教育环境,按照《高等学校接受外国留学生管理规定》的要求,现对高等学校接受祖国大陆(内地)、香港、澳门和台湾居民在移民外国后作为外国留学生来华进入本专科阶段学习做出如下补充规定:

一、自 2010 年起,来华留学申请人必须持有有效的外国护照或国籍证明文件 4 年(含)以上,且最近 4 年(截至入学年度的 4 月 30 日前)之内有在国外实际居住 2 年以上的记录(一年中实际在

国外居住满9个月可按一年计算,以入境和出境签章为准)。

高等学校必须在来华留学申请人同时符合学校的其他报名资格规定后,方可受理其来华进入本专科学学习的申请。

二、祖国大陆(内地)、香港、澳门和台湾居民移民外国后返回国内接受高中教育并毕业,如未恢复中国国籍,则属于在中国定居的外国侨民,如符合我国普通高校招生工作规定的报名条件,可持其所在省(区、市)公安机关填发的《外侨居留证》,在其所在省(区、市)省级招生委员会指定的地点报名参加我国高等学校招生统一考试。

特此通知。

**说明 Note:**

1. 学校按大类招生的专业，学生入学后按照所在院系专业教育培养方案和要求进行专业分流，确定培养专业，大部分专业的学习科目实行双语教学，详情可咨询相关院系。

In some programmes, applicants will be first admitted into a certain subject, and then be assigned to a specific programme (major) after registration according to the curriculum design and requirements of different programmes in different schools. Most courses in SYSU adopt both Chinese and English as the languages of instruction. Applicants can contact specific schools for more detailed information.

2. 报到校区一栏\*表示本专业学生将根据教学安排，后一阶段迁至另一校区就读，具体迁移情况以学校当年公布为准。**参加汉语补习的学生，须根据《录取通知书》上的报到校区前来报到。**

In the column of “Registration Campus”, “\*” means undergraduate students of the programme will be allocated from the registration campus to another campus at some point during the programme, and the list of those programmes is subject to changes with further notice of the university in the specific year. **Applicants attending the Chinese preparatory course should register according to the campus shown in their Admission Letter.**

3. 如有变动，以最新公布为准。

The above information is subject to changes with further notices.
