GRANTING SCHOLARSHIPS UNDER GOVERNMENT OF SRI LANKA PRESIDENTIAL SCHOLARSHIPS PROGRAM FOR FOREIGN SUDNETS – 2016/17

Government of Sri Lanka Presidential Scholarships programme for Foreign Students implemented by the Ministry of Higher Education and Highways has been in operation for six years. That provides scholarships annually to foreign students from identified countries. It is hoped that this would bring about stronger educational and cultural ties with friendly nations. This scholarship scheme offers international students a chance to enroll themselves in undergraduate programs conducted by some state universities in Sri Lanka. We are sure that the scholarship winners will be exposed to an environment with academic excellence, culture of hospitality in Asian setting and enticing climatic conditions.

STUDY PROGRAMS

01.University of Colombo

| Faculty | Degree Program | Duration (Years) | Required Subject Combination |
|---------|---|---------------------|--|
| Arts | BA in English | 4 | G.C.E. A/L (Sri Lanka / London) examination or any other equivalent examination in relevant stream |
| Law | Bachelor of Law | 4 | Any three subjects from Accounting/ Geography / Business Statistics/Logic and Scientific Method / Physics / Communication and Media Studies / Elements of Political Science /Biology / History /Chemistry / Mathematics / Combined Mathematics/Information and Communication Technology/ Agricultural Science/Higher Mathematics/Business Studies/Economics. |
| | BSc in Biological Science | 3 | Dialogo Charaista and Aminakanal |
| | BSc in Biological Science (Special) | 4 | Biology; Chemistry and Agricultural Science/Higher/Mathematics/Mathematics/Combine d Mathematics/Physics |
| | BSc in Physical Science | 3 | Combined Mathematics / Higher Mathematics ; |
| Science | BSc in Physical Science (Special) | 4 | Chemistry /Physics and Agricultural Science/Biology |
| | BSc in Molecular Biology and Biochemistry | 3 | |
| | BSc in Molecular Biology and Biochemistry (Special) | 4 | Biology; Chemistry; Physics |

| | BBA (Special) BBA in Finance (Special) BBA in HRM (Special) | | |
|------------|---|---|---|
| Management | BBA in Marketing (Special) BBA in Accounting (Special) BBA in Business Economics(Special) | 4 | Business Studies, Economics and Accounting or at least two subjects and the third subject from Agricultural Science / German / Elements of Political Science /Logic and Scientific Method/Information and Communication Technology / Geography/Combined Mathematics / English/French / Business Statics/History / Physics |
| | BBA in International Business (Special) BBA in Management and Organizational Studies (Special) | | |

02. University of Moratuwa

| | - | Duration | |
|----------------------------|-----------------------------------|----------|---|
| Faculty | Degree Program | (Years) | Required Subject Combination |
| | BSc in Quantity Surveying | 4 | At least one subject from Combined Mathematics /Higher Mathematics and the other subjects from the Accounting / Economics /Business Statistics /Business Studies /Physics / Chemistry/Information & Communication Technology |
| Faculty of Architecture | BSc in Town & Country Planning | 4 | At least two subject from Accounting Agricultural Science/Biology/Business studies / Business Statistics/Chemistry / Combined Mathematics /Economics / Element of Political Science/ Geography/ Higher Mathematics/Logic & Scientific method/Mathematics /Physics/ Information & Communication Technology |
| | BSc in Facilities Management | 4 | Combined Mathematics or Accounting and in two subject from Business Statistics / Higher Mathematics /Information & Communication Technology/Physics/Chemistry/Business Studies/Economics |
| | Bachelors of Architecture | 5 | At least one subject from the Art / Geography /Higher Mathematics /Combined Mathematics /Chemistry / Biology/Physics |

| Faculty of Information Technology | BSc in Information Technology & Management | 4 | At least a Credit (C) pass in Higher Mathematics/Combined Mathematics / Mathematics/Physics |
|---|--|---|---|
| Faculty of Business | Bachelor of Business Science Honours Degree | 4 | At least a ordinary (S) pass Physical Science stream or Commerce stream at the G. C. E. (A/L) Examination (Sri Lanka / London) examination or any other equivalent examination in relevant stream |

03.University of Peradeniya

| Faculty | Degree Program | Duration | Required Subject Combination /Eligibility |
|-------------|--|----------|---|
| | | (Years) | Requirements |
| Arts | BA in English | 4 | G.C.E. A/L (Sri Lanka/London) examination or any other equivalent examination in relevant stream |
| Law | Bachelors of Law | 4 | Any three subjects from Accounting/Geography/Business Statics/Logic and Scientific Method /Physics /Communication and Media Studies/Elements of Political Science /Biology/History/Chemistry/Mathematics/Combi ned Mathematics/Information and Communication Technology/ Agricultural Science/Higher Mathematics/Business Studies/Economics |
| Management | BBA in Operations Management (Special) BBA in Finance and Management(Special) BBA in Marketing (Special) BBA in HRM (Special) | 4 | Business Studies, Economics and Accounting or at least two subjects and the third subject from Agricultural Science / German / Elements of Political Science /Logic and Scientific Method/Information and Communication Technology / Geography/Combined Mathematics / English/French / Business Statics/History / Physics |
| Agriculture | BSc in Agricultural Technology and Management(Special) | 4 | Chemistry; Physics and Biology or Chemistry, Physics/Mathematics; Biology /Agricultural Science or Chemistry; Biology; Agricultural Science/Mathematics |

| | BSc in Food Science and Technology(Special) | 4 | Chemistry; Physics and Biology |
|--------------------------|--|---|--|
| | BSc in Animal Science and Fisheries(Special) | 4 | Chemistry; Biology and Physics or Agricultural Science |
| Allied Health Science | BSc in Radiography | 3 | Physics; Chemistry; Biology |
| | BSc in Biological Science | 3 | Biology; Chemistry and Agricultural Science/Higher |
| Science | BSc in Biological Science(Special) | 4 | Mathematics/Mathematics/Combined Mathematics/Physics |

04. University of Sri Jayewardenepura

| Faculty | Degree Program | Duration (Years) | Required Subject Combination / Eligibility Requirements |
|-------------------------------------|---|---------------------|---|
| Arts | Bachelors of Arts in Pali and Buddhist Philosophy | 3 | G.C.E. A/L (Sri Lanka/London) examination or any other equivalent examination in relevant stream |
| Applied Sciences | BSc in Food Science & Technology | 4 | Chemistry ;Physics and Biology |
| Applied Sciences | BSc. In Physics and ICT | 3 | Passes in combined Mathematics, Physics, and information and Communication Technology at the GCE A/L (Sri Lanka, London) |
| Management Studies & Commerce | BSc in Accounting (Special) BSc in Business Administration(Special) BSc in Business Economics (Special) Bachelor of Commerce(Special) BSc in Estate Management and Valuation (Special) BSc in Finance (Special) BSc in HRM (Special) BSc in Operations & Technology Management (Special) | 4 | Business Studies, Economics and Accounting or at least two subjects and the third subject from Agricultural Science / German / Elements of Political Science /Logic and Scientific Method/Information and Communication Technology / Geography/Combined Mathematics / English/French / Business Statics/History / Physics |

| | BSc in Marketing Management (Special) BSc in Public Management (Special) BSc in Entrepreneurship (Special) BSc in Business Information Systems (Special) | | Accounting/Economics/Business studies/Business Statistics |
|------------|---|---|---|
| Science | BSc in Biological Science (Special) | 4 | Chemistry/Zoology/Physics/Plant Biology/Plant Biotechnology/Micro Bio Logy/Forestry & Environmental Science/ Aquatic Science |
| | Bachelor of Engineering Technology | 4 | Passes for Science for Technology, Engineering Technology and third subject from Economics, Geography, Home Economics, English, Communication & Media Studies information and Communication Technology, Art, Business Studies, Agricultural Science, Accountancy, Mathematics |
| Technology | Bachelor of Bio systems Technology | 4 | Passes for Science for Technology Bio systems Technology third subject from Economics, Geography, Home Economics, English, Communication and Media Studies , Information and Communication Technology, Art, Business Studies, Agricultural Science, Accountancy, Mathematics. |
| | Bachelor of Information and Communication Technology | 4 | Passes for Information and Communication Technology , Science for Technology Engineering Technology or Bio Systems Technology |

05.University of Kelaniya

| Faculty | Degree Program | Duration (Years) | Required Subject Combination / Eligibility Requirements |
|---------|---|---------------------|--|
| | Bachelors of Arts (Peace & Conflict Resolution) | 3 | Pass in three subjects from any stream |
| Arts | BA in Translation (Special) | 4 | G.C.E. A/L (Sri Lanka/London) examination or any other equivalent examination in relevant stream in addition candidate should have passed an Aptitude Test on specific language proficiency which will be jointly conducted by the university. |

| Social Sciences | BA in Library & Information Sciences | 3 | G.C.E. A/L (Sri Lanka/London) examination or any other equivalent examination in relevant stream |
|---------------------------------------|--|---|---|
| | BA in Teaching English as a Second Language | 3 | Minimum "S" pass or above for English at G.C.E. A/L (Sri Lanka/London) examination or any other equivalent examination |
| | BA General degree – German as a subject | 3 | G.C.E. A/L (Sri Lanka/London) examination or any other equivalent examination in relevant |
| | BA in German Studies (Special) | 4 | stream |
| Humanities | BA General degree – French as a subject | 3 | "A" pass in French at G.C.E. A/L (Sri Lanka/London) examination or |
| | BA in French Studies (Special) | 4 | any other equivalent examination |
| | BA in Linguistics | | |
| | BA in Western Classical Culture | 4 | G.C.E. A/L (Sri Lanka/London) examination or any other equivalent examination in relevant stream |
| | BA in Pali & Buddhist Studies (General) | | |
| | BA in Pali & Buddhist Studies (Special) | 5 | |
| Economics | BA in International Studies | 4 | G.C.E. A/L (Sri Lanka/London) examination or any other equivalent examination in relevant stream |
| | BBM Accountancy(Special) | | Business Studies, Economics and Accounting or at least two subjects and the third subject |
| | BBM Marketing(Special) | | from Agricultural Science / German / Elements |
| Commerce and Management Studies | BBM Finance(Special) | | of Political Science /Logic and Scientific Method/Information and Communication |
| | BBM HR(Special) | 4 | Technology / Geography/Combined Mathematics / English/French / Business |
| | B.Com (Special) | | Statics/History / Physics |
| | B.Com Business Technology (Special) | | |
| | | | |

| | BSc in Management & Information Technology (MIT) | 3 | At least a Credit © pass in Higher Mathematics /Combined Mathematics / Mathematics/Physics |
|-----------------------------|--|---|--|
| | BSc in Management & Information Technology(Special) | 4 | |
| | BSc in Software Engineering (Special) | 4 | At least "S" Grade in Combined Mathematics: Physics and Chemistry /Higher Mathematics/Information & Communication Technology. |
| Science | BSc in Environmental Conservation and Management | 3 | Biology; Chemistry and Physics/Agricultural Science/Combined Mathematics/Mathematics |
| | BSc in Environmental Conservation and Management(Special) | 4 | |
| | | | Chemistry; Botany /Zoology; Biochemistry /Computer Studies; Microbiology |
| | BSc in Biological Science(Special) | 4 | Or Chemistry ;Zoology; Botany/ Molecular Biology & Plant Biotechnology |
| Science | BSc in Physics and Electronics | 3 | Passes in combined Mathematics, Physics, and information and Communication Technology at the GCE A/L (Sri Lanka, London) |
| Computing and Technology | Bachelor of Engineering Technology | 4 | Passes for Science for Technology, Engineering Technology and third subject from Economics, Geography, Home Economics, English, Communication & Media Studies information and Communication Technology, Art, Business Studies, Agricultural Science, Accountancy, Mathematics. |
| | Bachelor of Information and Communication Technology in Computer Network Technology | 4 | Passes for Information and Communication Technology, Science for Technology, Engineering Technology or Bio Systems Technology |

06. University of Ruhuna

| Faculty | Degree Program | Duration (Years) | Required Subject Combination |
|---|--|---------------------|--|
| | BSc in Biological Science | 3 | |
| | BSc in Biological Science(Special) | 4 | Chemistry; Botany / Zoology / Physics |
| Science | BSc in Physical Science | 3 | Combined Mathematics / Higher Mathematics ; Chemistry / Physics and Agricultural Science/Biology |
| | BSc in Computer Science | 4 | At least Credit Pass © in Combined Mathematics / Physics / Higher Mathematics and Passes in two subjects in Combined Mathematics/Physics/Information & Communication Technology/Higher Mathematics/Chemistry/Mathematic |
| Fisheries & Marine Science and Technology | BSc in Fisheries & Marine Sciences | 4 | Biology; Chemistry; Physics |
| Fisheries & Marine Science and Technology | B Sc in Marine and Fresh Water Sciences -Honours | 4 | Three passes for one of the following combinations of subjects at the A/L examination. Chemistry, Physics and Biology or Chemistry, Physics and Combined Mathematics |
| Agriculture | BSc in Agricultural Resource Management &Technology | 4 | Chemistry; Physics and Biology or Chemistry; Physics /Mathematics; Biology/Agricultural Science or Chemistry; Biology; Agricultural Science/Mathematics |
| | BSc in Agric Business Management BSc in Green Technology | | Biology; Chemistry and Physics/Agricultural Science/ Food Technology/Bio Resource Technology/Agro Technology |
| Management and Finance | BBA in Accounting and Finance (special) BBA in Marketing Management (Special) | 4 | Business Studies, Economics and Accounting or at least two subjects and the third subject from Agricultural Science / German / Elements of Political Science / Logic and Scientific Method/Information and Communication Technology / Geography / Combined Mathematics / English/French / Business Statics/History / Physics |

| Technology | Bachelor of Engineering Technology | 04 | Passes for Science for Technology, Engineering Technology and third subject from Economics, Geography, Home Economics, English, Communication & Media Studies information and Communication Technology, Art, Business Studies, Agricultural Science, Accountancy, Mathematics |
|------------|--|----|---|
| | Bachelor of Information and Communication Technology | | Passes for Information and Communication Technology, Science for Technology, Engineering Technology or Bio Systems Technology |

07. University of Jaffna

| Faculty | Degree Program | Duration | Eligibility Requirements |
|----------------------------------|--|----------|---|
| | | (Years) | |
| | | | Chemistry; Physics and Biology or |
| Agriculture | BSc in Agriculture | 4 | Chemistry; Physics /Mathematics; Biology/ Agricultural Science or |
| | | | Chemistry; Biology ; Agricultural Science / Mathematics |
| | BSc in Biological Science | 3 | Chemistry; Botany /Zoology; Biochemistry /Computer Studies; Microbiology |
| | BSC III BIOlogical Science | 3 | or |
| | BSc in Biological Science (Special) | 4 | Chemistry; Zoology; Botany/ Molecular Biology & Plant Biotechnology |
| Science | | | At least Credit Pass (C) in Combined Mathematics / Physics / Higher Mathematics and passes in two subjects in |
| | BSc in Computer Science | 4 | Combined Mathematics / Physics /Information & Communication |
| | | | Technology / Higher Mathematics / Chemistry / Mathematics |
| Management Studies & Commerce | BBA Accounting (Special) | | Business Studies, Economics and Accounting or at least two subjects and |
| | BCom (Special) | _ | the third subject from Agricultural Science |
| | BBA Financial | 4 | / German / Elements of Political Science /Logic and Scientific Method/Information |
| | Management (Special) | | and Communication Technology / |
| | BBA HRM (Special) | | Geography/Combined Mathematics / |

| | BBA Marketing (Special) Business Administration (BBA) | | English/French / Business Statistics/History / Physics |
|------------|--|---|---|
| Arts | BA in Translation (Special) | 4 | G.C.E. A/L (Sri Lanka/London) examination or any other equivalent examination in relevant stream in addition candidate should have passed an Aptitude Test on specific language proficiency which will be jointly conducted by the university. |
| | Bachelor of Engineering Technology | 4 | Passes for Science for Technology, Engineering Technology and third subject from Economics, Geography, Home Economics, English, Communication & Media Studies information and Communication Technology, Art, Business Studies, Agricultural Science, Accountancy, Mathematics |
| Technology | Bachelor of Bio Systems Technology in Commercial Green Farming | 4 | Passes for Science for Technology Bio systems Technology third subject from Economics, Geography, Home Economics, English, Communication and Media Studies, Information and Communication Technology, Art, Business Studies, Agricultural Science, Accountancy, Mathematics. |
| | Bachelor of Bio Systems Technology in Food Production | 4 | Passes for Science for Technology Bio systems Technology third subject from Economics, Geography, Home Economics, English, Communication and Media Studies , Information and Communication Technology, Art, Business Studies, Agricultural Science, Accountancy, Mathematics. |

07.1 Vavuniya Campus

| Faculty | Degree Program | Duration (Years) | Eligibility Requirements |
|---------------------|---|---------------------|--|
| Applied Sciences | BSc in Environmental Science BSc in Information & Communication Technology | 3 | Biology; Chemistry and Agricultural Science/Combined Mathematics /Higher Mathematics / Physics/Mathematics |
| | BSc in Environmental Science (Special) | | |

| | BSc in Information & Communication Technology (special) | 4* | |
|---------------------|---|----|--|
| | BSc in Applied Mathematics & Computing | 3 | Combined Mathematics/Higher |
| | BSc in Computer Science | 4* | Mathematics; Chemistry/Physics & Agricultural Science/Information & Communication Technology/Biology |
| | Bachelor of Information and Communication Technology | 4 | Passes for Information and Communication Technology, Science for Technology, Engineering Technology or Bio Systems Technology |
| | Business Management(BBM) | 3 | Business Studies, Economics and Accounting |
| Business Studies | Business Management(BBM) Special | 4* | or at least two subjects and the third subject from Agricultural Science / German / Elements of Political Science Logic and Scientific Method/Information and Communication Technology / Geography/Combined Mathematics / English/French / Business Statistics/History / Physics |

^{*}A candidate should obtain a GPA of not less than 2.7 in the subject of specialization in the 1^{st} & 2^{nd} of study and obtain grades of C or better in all course units

08. Rajarata University of Sri Lanka

| Faculty | Degree Program | Duration (Years) | Required Subject Combination |
|----------|-----------------------------------|---------------------|---|
| | BSc in Health Promotion | 3 | |
| | BSc in Health Promotion (special) | 4 | |
| | BSc in Applied Sciences | 3 | Biology; Chemistry and Agricultural Science/Combined Mathematics / High Mathematics / Physics/Mathematics |
| Applied | BSc in Applied Sciences (Special) | 4 | |

General Information

Applications are invited from eligible students for the award of undergraduate scholarships offered by the Ministry of Higher Education and Highways (MoHEH), Sri Lanka for the academic year 2016/17 and the courses are to commence in November 2017. Since this is a government to government scholarship program, candidates shall apply for this scholarship with the recommendation of the government nominating agency (i.e. Ministry or the government Institution of his/her country).

- Scholarships are open for courses of studies other than Medical, Dental Sciences & Engineering.
- Medium of instruction is English
- ➤ Candidates can request for more than one course for securing chances to win a scholarship, identifying their preferences as places are limited in some fields.
- There may be instances where requested courses are not possible to offer due to unforeseen circumstances or limited places available in the particular field.
- If the given qualifications by the applicant are not compatible with the entry requirements of the university, those applications may not be successful.
- ➤ When completing the form, please ensure that you provide your full name as appeared in your passport.
- ➤ Please provide all the supporting documents in English, we require officially translated versions as well as copies in the original language.
- Please provide certified copies of all the supporting documents including the certified copies of the relevant pages of your passport, duly authenticated by relevant authorities.
- ➤ Do not leave any section of this application unanswered. Please write "N/A" in all irrelevant sections.
- All the applications should be forwarded to Secretary, Ministry of Higher Education & Highways, No 18, Ward Place, Colombo 07, Sri Lanka on or before the closing date.
- Closing date for applications for the academic year 2016/2017 will be 08th May 2017.
- ➤ If you have any questions about filling out your application form please do not hesitate to contact the Additional Secretary (Development) office Tel: +94-11-2697721 or +94-11-2688621 Fax: +94-11-2697239 E-mail: addsec-dev@mohe.gov.lk

Application form can be downloaded from the Ministry of Higher Education and Highways, web site: www.mohe.gov.lk

[1] General Eligibility Requirements

Be a citizen of a country covered by this scholarship. A citizen of another country having Sri Lankan dual citizenship is not eligible to apply.

- I. Candidates with impressive results of an examination deemed equivalent to G.C.E. (Advance Level) Examination of Sri Lanka are eligible to apply for admission to universities in Sri Lanka.
 - i. Applicants are advised to attach the original letter obtained from the Board of Examinations to prove that his/her educational qualifications are equivalent to the G.C.E. (A/L) Examination (Sri Lanka) or qualifications required for admission to a university in their own country to follow a bachelor's degree.
 - ii. Applicants should ensure that all required passes should be obtained in one and the same sitting under a recognized Board of Examination.
- II. Age: Be less than 25 years on 08.05.2017

[2] Scholarship Benefits

- I. Free of charge tuition and registration.
- II. Free Visa for studies
- III. One-off settlement allowance of LKR 10,000/-.
- IV. A monthly living allowance of LKR 30, 000/- during the study period.
 - It is expected that the scholarship recipient will meet the expenditure for food and accommodation with the monthly allowance of LKR 30,000/- The relevant university/higher educational institute will assist in finding suitable accommodation.
- V. Reimbursement of cost of air fare (economy class) to come to Sri Lanka and return his/her country after successful completion of studies [Payment is made for original bills only].
 - Kindly note that all above payments are made in LKR
- VI. Free of charge medical facilities at government hospitals other than dental related diseases.
