Achieving SDGs: Rising to the Challenge

2ND

INTERNATIONAL CONFERENCE ON SUSTAINABLE DEVELOPMENT GOALS

30-31 JULY 2019 | PENANG, MALAYSIA

INTRODUCTION

Sustainable Development Goals (SDGs) were formally adopted on 25th September 2015 and officially came into force on 1st January 2016 as the new agenda to succeed the Millennium Development Goals (MDGs). The SDGs, which consist of 17 goals and 169 targets, have become a global action which aims at ending poverty, protecting the planet, and ensuring peace and prosperity for all.

The 2019 International Conference on Sustainable Development Goals (ICSDBG2019) aims at seeking strong collaboration and cooperation among all organisations worldwide in achieving the SDGs, with a theme of "Achieving SDGs: Rising to the Challenge".

OBJECTIVES

a) To provide a platform for sharing information, experiences, initiatives, and best practices in addressing sustainability challenges within the SDGs framework among researchers worldwide.

b) To seek strong collaboration and cooperation among researchers and organisations in achieving the SDGs.

THEME

ACHIEVING SDGS: RISING TO THE CHALLENGE
