TO WHOM IT MAY CONCERN

International FATİH Project Educational Technologies Summit will be held on 2-3 November 2018 in Ankara ATO Congressium by General Directorate of Innovation and Educational Technologies of Republic of Turkey Ministry of National Education.

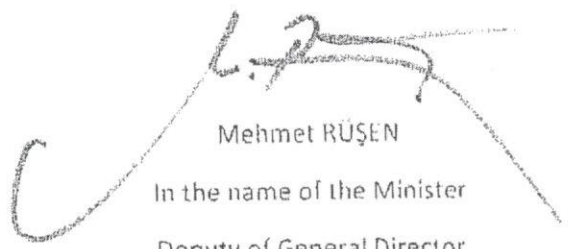

FATİH Project Educational Technologies Summit which brings domestic and foreign academicians, experts, teachers, students, educational technologist and technology providers interested in the selected topics together has seen as the most important educational technologies event with its over 3000 visitors, local and foreign 150 speakers, 30 sessions, 50 workshop and stands where the latest products has been exhibited.

With the Summit that will be held this year for the fourth time in the framework of the topics below, it has been aimed to direct new researches in the field of educational technologies in Turkey, share best practices in educational technologies and make academic contribution to FATİH Project.

The papers related to topics could be sent to fatih@tep.gov.tr or fatih@tep.gov.tr address. The papers which will be presented at the Summit will be chosen by Scientific Board and the accommodation in a 5-star hotel including breakfast-lunch-dinner, flight and transfer fees of the chosen speakers will be covered by the Republic of Turkey Ministry of National Education.

This year, we would like to have a panel which brings together the countries which are well-known with their successful education systems. Because of that, we would like to cordially invite the authorized person from your Ministry of Education or relevant department especially in the field of educational technologies.

I expect your contributions to the announcement of this information about the Summit to whom it may concern and would like to express my thanks.

Mehmet RUŞEN

In the name of the Minister
Deputy of General Director
