## **CHINESE GOVERNMENT SCHOLARSHIP**

- **Program Introduction**

To promote the mutual understanding and friendship between China and other countries, and to provide education opportunities to the youths worldwide who enjoy good potentials in their career development, the Chinese Government established the “Scholarship for Youth of Excellence Scheme of China——Master Program (YES CHINA)” with the aim of providing financial support to the outstanding youth coming to China to pursue a Master’s degree. For the academic year 2015/2016, the Ministry of Education, P. R. China will entrust Zhejiang universities with Master of China Studies Program for Developing Countries. The programs duration will be one year, and will be open to applicants from 33 developing countries.

Master of China Studies (MCS) of Zhejiang University is the first master’s program, and the most influential one, with the name of “China Studies” in China. It has attracted more than 200 international students from 25 countries since 2010. As one of China’s first 6 high-level master scholarship programs for developing countries and the only domestic “China Studies” program, MCS has 11 students from Southeast Asian countries in 2014. We focus on studies of contemporary China, which consist of 3 disciplinary modules: history & civilization, transformation & development, media & life. Meanwhile, research methodology and Chinese language are also included. Students can also have their own “story in China” through cultural experience and social surveys. With the implementation of the “3C” (Cultural、Contemporary and Comparative), MCS endeavors to help people understand China better. For more details, please see the attached MCS program brochures.
